

# Core Values

## Advocacy

- We empower and support the people we serve to achieve their goals and dreams.
- We advocate for the people we serve, for ourselves and for each other.

## Community

- We nurture meaningful and diverse relationships as a defining characteristic of who we are and what we do.
- We build opportunities for full participation and valued social roles.

## Leadership

- We learn, grow and innovate by inviting participation and lead change in our evolving environment.
- We demonstrate the highest standards and do the right thing.

## Respect

- We uphold the dignity of people of all abilities, demonstrate kindness and care, and promote inclusion, unity, and equality.
- We treat ourselves and others with integrity, worth, and compassion.

## Wellness

- We pursue the overall health of mind, body, and spirit.
- We foster an environment that promotes social well-being.
