

Living Well Disability Services - Program Service Accomplishments

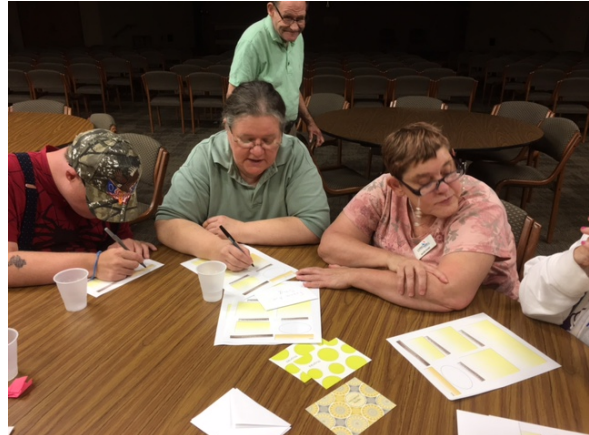

Living Well Disability Services' mission is to provide exceptional services that transform the lives of people impacted by disabilities. We achieve our mission by providing individually tailored service to people with intellectual, developmental and physical disabilities.

Residential Services (2015 expenses \$17,144,634. 2015 revenue \$18,728,182)

In 2015 Living Well Disability Services provided residential services and support for 196 people with intellectual, physical and developmental disabilities living in 33 group homes in Dakota, Hennepin, Isanti, Ramsey, Sherburne and Wright counties. Over 600 well trained, full and part time staff provided support on a 24/7 basis. Living Well Disability Services serves a broad spectrum of people with intellectual, developmental, physical disabilities and chronic health conditions such as cerebral palsy, down syndrome multiple sclerosis, autism, and brain injury. These may be complicated by health issues related to aging, diabetes, Alzheimer's, and medical fragility. We also provide mental health and behavior support as part of our services for people with multiple diagnoses.

Customized Services (2015 expenses \$714,360. 2015 revenue 579,222)

In 2015 Living Well Disability Services provided customized services and support of 123 individuals and their families. Customized services includes in-home family support (IHFS), independent living services (ILS) and semi-independent living services (SILS) and was provided to individuals in Dakota, Ramsey, Hennepin, Washington, Pine and Olmstead counties in 2015.
